MARYBURGH YOUTH INITIATIVE

We are Maryburgh Youth Initiative, a project based youth group in the heart of our community. After the closure of Maryburgh Youth Club in mid-2015 left a gap in our social life we approached Youth Highland for support in setting up a new type of youth group that would have a positive impact on both our community and for us. Led by Joanna MacLennan and Rhianna Ewen we have brought together young people from Maryburgh who are keen to take a more proactive role in the decision making processes around us.

This has led to the formation of Maryburgh Youth Initiative (MYi). Our aim is to work with the Maryburgh Community Council, Maryburgh Amenities Company and the community members to run fundraising events, plan and run short term youth led projects and enable other young people from within the community to have the opportunity to have a voice and share ideas that will benefit Maryburgh.

Our main focus for the moment is to raise enough money so that we can hold a Youth Club Reunion in the form of a residential activity weekend, which is one of the things we loved about having a youth club in Maryburgh and miss!

We got together in May this year and had our first opportunity to run a fund raising stall at the Maryburgh Gala where we ran the Plane Game and Bubble Tea stall. On Sunday 21st August we are hosting in partnership with the MCC and MAC, a Slip'n'Slide day which will run alongside a BBQ, tea's and Coffee's and a Volunteering Day at the Maryburgh Amenities Centre.
